

## Prayas Nepal Information

Prayas Nepal, a non-government, non-profitable, social organization was established on May 01 2003 with the forethought of defending the rights of women, children and senior citizens. The organization has been putting its efforts to improve the living standard of women, children, senior citizens, and the destitute of the nation implementing proactive measures and stressing on fundamental rights. The organization aspires in achieving its set target through practical implementation (like rehabilitation, providing shelter, education, and awareness program) and aims at accomplishing its prime objectives through:

Enforcing child right law

Protecting the right of the women

Launching training and awareness oriented programs

Protecting the helpless, the disabled and the aged

Conducting country and inter country adoption Program

Carrying out acts necessary to safeguard the rights and interests of the women and children

Generating awareness through publicity, symposium, seminar, and training

Working with the government for drinking water, sewerage improvement, health and sanitation services and acts maintaining environment balance
